

# CHOICES, CHOICES & MORE CHOICES

Network access control is a young but growing market. Here's a representative list of products:

	PRODUCT	TYPE OF SOLUTION	FRAMEWORKS SUPPORT ANNOUNCED
Altiis www.altiis.com	SecurityExpressions, Quarantine Solution	Policy, remediation	NAP, NAC
Check Point Software Technologies www.checkpoint.com	Integrity	Policy, detection, enforcement	NAP
Citrix Systems, eEye Digital Security www.citrix.com; www.eeye.com	Blink for Secure Gateway	Policy, detection, health, enforcement, remediation	NAP
Configuresoft www.configuresoft.com	Enterprise Configuration Manager	Policy, detection, enforcement, remediation	NAP
ConSentry Networks www.consentry.com	LANShield Controller	Policy, detection, health, enforcement, remediation	NAP
ENDFORCE www.endforce.com	ENDFORCE Enterprise	Policy, detection, health, enforcement	NAP, NAC
Forescout Technologies www.forescout.com	CounterACT	Policy, detection, health, enforcement	NAP, TNC
InfoExpress www.infoexpress.com	CyberGatekeeper LAN, CyberGatekeeper Remote	Policy, detection, health, enforcement	NAC, NAP, TNC
Juniper Networks www.juniper.net	Steel Belted Radius, Odyssey client	Detection, health, enforcement	TNC, NAP, NAC
Lockdown Networks www.lockdownnetworks.com	Lockdown Enforcer	Policy, detection, health, enforcement, remediation	NAP
McAfee www.mcafee.com	Policy Enforcer	Policy, detection, health, enforcement, remediation	NAP, NAC
Senforce Technologies www.senforce.com	Endpoint Security Suite, Intelligent Network Access Control	Policy, detection, health, enforcement	NAC, TNC
StillSecure www.stillsecure.com	Safe Access	Policy, detection, health, enforcement	NAC, NAP
Symantec www.symantec.com	Network Access Control, Sygate Enterprise Protection	Policy, detection, health, enforcement, remediation	NAP, NAC
Vernier Networks www.verniernetworks.com	EdgeWall	Policy, detection, health, enforcement, remediation	NAP
