

The background of the slide features a light blue sky with white clouds. Numerous white padlock icons are scattered across the scene, some appearing to be floating or falling. On the right side, a hand is holding a black smartphone. The phone's screen displays a blue interface with a white document icon and a computer monitor icon, suggesting a mobile application or security tool.

Who's Watching the Watcher

The Watcher Should Be Watching the Watcher

Presented by William Lewis, Director of Information
Technology, State Garden, Inc
