

Executive Briefing

nullcon Security Conference, Delhi 2012

[SearchSecurity.in's](#) photo-feature on nullcon Delhi 2012,
[28th Sept](#) & [29th Sept](#)

[another Security Lab]

**Joerg Simon,
introduced the
open source test- and
education platform**

**Fedora Security Lab
and
OSSTMM SecLab**

**This talk is for all who
are looking for other ways
and means to cover
real security needs!
For all who are looking for ways
to quantify trust and security
in an unbiased way!**
